20. **Waypoint** on the X crossing (6000 mill. yrs). Continue straight to W-NW.
21. Go over Hiihtomajanpolku and continue west on the dirt road. (Be sure not to

- accidentally turn on the asphalt Mäyränpolku.) Go over the pedestrian walkway (Notaarinpolku) and continue on to Voudinpolku slightly on the left (W-NW).
22. **Waypoint** (5300 mill. yrs). Continue west-northwest on Voudinpolku.
 23. Go over the zebra crossing on Pormestarinkatu. Continue onwards to Kivalterinpolku.
 24. **Waypoint** (5100 mill. yrs). Take a left (southwest) to Karhunaukio and the next right to Karhunkatu (northwest).
 25. Go under Itäkaari and turn left to follow it (southwest). Take the next right onto Biolinja (northwest). After the store buildings take a right, go over the zebra crossing and over the bridge of hearts (northeast) onto Pinjaistenpuisto.
 26. **Several waypoints** to follow, both on stones and stands (4600–3800 mill. yrs). Continue northeast and turn left (northwest) once you reach the end of the clearing. After the building turn left again (west). Go over the other bridge, and the zebra crossing over Biolinja. Continue on the dirt path towards southwest.
 27. Turn right (west) and go over the freeway using the bridge.
 28. **Waypoint** on a stone on the left before Skarppakullantie (3500 mill. yrs).
 29. Take the zebra crossing over Skarppakullantie and continue on to Hautausmaantie (west). Continue past the graveyard. Once the main road turns left there is a Y-junction in the pedestrian /cycle path. Take the right branch (northwest) near Hautausmaantie and not the left one that leads to the graveyard parking lot (west). Take the zebra crossing over Hautausmaantie towards Lehmustie.
 30. **Waypoint** at Hautausmaantie–Lehmustie (3000 mill. yrs). Continue on Lehmustie turning gently west. Make sure you stay on this road, as the crossings that follow may lead astray if you get distracted.
 31. **Waypoint** on Lehmusaukio (between Turjantie and Kirsikkatie crossings) (2700 mill. yrs). Continue west on Lehmustie.
 32. Turn right onto Rakuunatie (north-northwest).
 33. Several roads cross Rakuunatie, go over all of them. **Several waypoints** on stones on the right hand side (2300–1800 mill. yrs). The last one is just before the Hippoksentie crossing. Go over the zebra crossing and continue straight (north-northwest).
 34. **Waypoints** on stones on the right side between the Kupittaa sports fields (1600 ja 1500 mill. yrs).
 35. Continue on the pedestrian path and go gently left (on the left side of the car roundabout). You'll soon arrive on the Holy Henrik's square on the north side of the lido and the Kupittaa paviljonki but on the south side of the Holy Henrik's spring.
 36. **Waypoint** on a stand at the beginning of the boulevard leading to west-northwest (1300 mill. yrs). Here, turn gently to the right (north-northwest) towards Kupittaaankatu.
 37. Go over the Kupittaaankatu zebra crossing and continue northwest on Kerttulinkatu.
 38. Follow this road until you go over Hämeenkatu (several crossings to go). **Several waypoints** on stands and walls on the right side of Kerttulinkatu (900-300 mill. yrs).
 39. After going over Hämeenkatu go a bit onwards, and take a right at the next zebra crossing. Go up the stairs on Koskenniemenkatu towards Yliopistonmäki (northeast).
 40. **Several waypoints** on stones on the right side of this Koskenniemenkatu pedestrian road. Note! The stairs can be circumnavigated by going onwards on Kerttulinkatu, taking the next right on Henrikinkatu and again right to Horttokuja. You end up at Koskenniemenaukio.

41. Take a gentle right (east) after the building on the right side of Koskenniemenaukio. The dirt path leads diagonally towards Hämeenkatu–Kiinanmyllynkatu crossing.
42. **Several waypoints** on stones on the left side of the dirt path. At first they're just next to the path, then further away as you come to the the grassy hill. The last ones are bolted onto the wall next to the Big Bang echo -statue at the top of the stairs leading to the university.
